Breakfast & Lunch

Jackson is part of the Community Eligibility Provision or CEP. CEP is a non-pricing meal option for schools and school districts in low-income areas. CEP allows us to serve **breakfast and lunch at no cost to all enrolled students**. That being said, we still encourage you to complete a food service application to see if you qualify for additional waived fees. Students are encouraged to arrive to school in time for breakfast whether they eat at school or at home. Students may bring their own cold lunch to school if they wish. Cold lunch students have the option to purchase a carton of milk for \$.50.

Attendance/Absences

Attendance plays a leading role in a student's school success. Parents/guardians are asked to call the school at (920) 492-2620 as soon as possible if a student will be absent. If you are calling before or after school hours, you may leave a voicemail with the following information:

- Name & relationship to the student
- Student name, grade, & teacher
- Reason for absence
- Medical excuses should be provided for absences due to appointments to reduce attendance concerns for your child.

Tardy Students

We understand that unforeseen circumstances can occur, however we ask that you do your best to be on time for drop off and pick up of your students. Tardy students disrupt the general routine of the entire classroom.

Students who are late to school or picked up early must be signed in/out by an adult in the office.
