# Intra District Transfer Process

Intra-District transfer provides the opportunity for students to attend a Green Bay Area Public school outside of their attendance area boundary. Intra-District transfer approval is not guaranteed, but is based on space availability at the preferred school, grade and program. Your student must meet any prerequisites for participation in the preferred program or school. As a reminder, transportation is not provided for students to intra-district transfer to another school. Parents are responsible for transportation.

If you have any questions about the Intra-District Transfer process or whether or not your student needs to apply, please see our Frequently Asked Questions or contact Central Registration at 920-448-2001 or [cr@gbaps.org](mailto:cr@gbaps.org).
