HUNGER HEROES

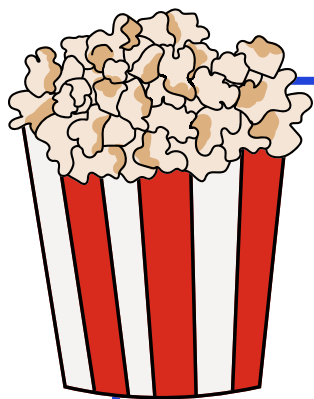

Our Hunger Heroes Jaguar Den is off to a great start! In September, our participating families were provided a cookout meal from In Bloom Greenhouse. Also in September, another Hunger Heroes sponsor, Journey Chiropractic Center held a food drive to help stock our shelves. We are always looking for more businesses to sponsor food drives or families to help out in anyway. If you or someone you know is interested in helping become part of Hunger Heroes, please contact Tammy Van Ess at tmvaness@gbaps.org.

Cognitive Abilities Test (CogAT) for 2nd graders

Between October 23 – November 10, 2023, our school will be administering the Cognitive Abilities Test (CogAT) to 2nd graders. This is a screening test that the Green Bay Area Public School District is administering to all students to give the school additional information on how best to serve your child. The CogAT provides a snapshot of your child's abilities in the areas of verbal, quantitative, and nonverbal functioning.

The nonverbal battery tests a student's reasoning abilities and does not require the student to use information gained from other experiences to solve problems. The CogAT takes approximately 55 minutes and is administered on a computer.

Participation is voluntary. Please contact Mrs. Dolan if you do not wish to participate. We expect to receive the testing results in November 2023. At that time, a copy of your child's results will be shared with you. You can find information from the publisher of this assessment at www.cogat.com.

Popcorn Fridays!

Jackson's PTO will host 8 Popcorn Fridays (1 per month) beginning October 13th. Bags of popcorn can be purchased for 25 cents.

Jackson World Map

Jackson Elementary School is fortunate to have students from many different countries and cultures. We are a diverse community and we want to celebrate it! Please fill out the [Google Form](#) to let us know where your student was born. The data will be collected and shown on a world map in the vestibule for all students and staff to see!
